1.4 Active and Assisted Living Programme: Packages integrating different solutions based on ICT to support active, healthy and independent living of older adults

Izdajatelj:	European Commission	
Status: aktiven	Datum objave: 15.2.2017	Rok prijave: - 24.5.2017 at 17h00 Central European Time (CET).
Vir objave:	http://www.aal-europe.eu/get-involvedcall-challenge-2017/	
Kratek opis predmeta razpisa:	<p>It is generally recognized that ICT-based solutions can contribute to enhancing the quality of life of older adults in different dimensions (health and wellness, social inclusion and communication, home environment, security and privacy, employability of older adults and their carers). Since the inception of the AAL Programmes, 9 calls have been launched. These calls have shown impressive results culminating in many useful solutions. However, many solutions address only a specific need, have not yet been integrated and incorporated into every day life, and have not been evaluated sufficiently.</p> <p>Increasingly, end-users⁵ are asking for well integrated solutions that are intuitively useful, personalized, and take into consideration the life span dimension. This includes informal and formal caregivers whenever relevant.</p> <p>In addition, end-users, especially secondary and tertiary ones such as caregivers and policy makers, have an urgent need for proven evidence about the effects and effectiveness of AAL solutions.</p> <p>The focus of the 2017 call challenge of the AAL Programme is twofold:</p> <ol style="list-style-type: none"> 1) The challenge lies in developing packages integrating different solutions that address the needs and wishes of end-users and add value to their lives. 2) The challenge lies in extensive testing and evaluation of packages in order to provide meaningful and significant results. 	
Višina razpoložljivih sredstev:	26.3 milijona EUR	
Maksimalna višina sofinanciranja:	The Consortia must submit one common project proposal with one partner acting as coordinator. Maximum funding from the AAL Programme per project: 2,5 M EUR.	
Ciljne skupine oz. potencialni upravičenci:	<p>Consortium composition of at least 3 independent eligible organizations (legal entities), from at least 3 different AAL Partner States participating in the Call for Proposals.</p> <ul style="list-style-type: none"> • Consortia must include at least one eligible for-profit business partner. • Consortia must include at least one eligible for-profit SME partner which can be the business partner. • Consortia must include at least one eligible end-user organisation. • Size of the consortium: 3 – 10 partners.

Kratek opis predmeta razpisa:	<p>This action builds upon the 2014 "Clusters Go International" call (COS-CLUSTER-2014-3-03) that contributed to launch the first round of projects in January 2016 encouraging cluster organisations across Europe to establish 'European Strategic Cluster Partnerships-Going International' (ESCP-4i) and work concretely together to exploit synergies as well as to develop a joint internationalisation strategy for the benefit of their SMEs.</p> <p>This 1st call has supported the establishment of up to 26 Partnerships (ESCP-4i) including 15 co-funded projects gathering about 150 cluster organisations across 23 European countries and reaching out to more than 17000 SMEs across Europe. The Partnerships are active in various industrial and cross-sectoral areas including health, aerospace, mobility and logistics, agrifood, energy, marine and environment, packaging, materials and photonics, ICT, construction and sports.</p> <p><u>COSME-2016-CLUSTER-1A: support the establishment of European Strategic Cluster Partnership – Going International (ESCP-4i)</u></p> <p><u>COSME-2016-CLUSTER-1B: supporting preparatory actions in the field of Earth Observation applications</u></p> <p><u>COSME-2016-CLUSTER-2: support the initial implementation, testing and further development of European Strategic Cluster Partnerships - Going International (ESCP-4i)</u></p>	
Višina razpoložljivih sredstev:	The total budget earmarked for the co-financing of projects is estimated at 400.000 EUR for strand 1.b, and 5.390.000 EUR for strands 1.a and 2.	
Maksimalna višina sofinanciranja:	<p>The grant is limited to a maximum reimbursement rate of 75% of eligible costs.</p> <p>The maximum grant per project will be 200.000 EUR per project for strands 1.a and 1.b. The maximum grant per project for strand 2 will be 448.750 EUR.</p> <p>EASME expects to fund two proposals for strand 1.b, nine proposals for strand 1.a and eight proposals for strand 2.</p>	
Ciljne skupine oz. potencialni upravičenci:	The partnerships target cooperation with third countries' economies, of which the main ones include Brazil, Canada, China, India, Japan, Mexico and USA. This action further exploits synergies with other key initiatives of the Cluster Internationalisation Programme for SMEs that have been launched to promote transnational cluster cooperation within and beyond Europe with a view to better support SMEs in global competition.
