## 1.4. Call for proposals for ERC Synergy Grant (ERC-2025-SyG)

Izdajatelj:	European research council	
Status: aktiven	Datum objave: 11.7.2024	Rok prijave: • <b>06. 11. 2024 17:00:00 Brussels time</b>
Vir objave:	<a href="https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-details/erc-2025-syg?isExactMatch=true&amp;status=31094502&amp;order=DESC&amp;pageNumber=1&amp;pageSize=50&amp;sortBy=startDate">https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-details/erc-2025-syg?isExactMatch=true&amp;status=31094502&amp;order=DESC&amp;pageNumber=1&amp;pageSize=50&amp;sortBy=startDate</a>	
Kratek opis predmeta razpisa:	<p>The aim is to provide support for a small group of two to four Principal Investigators to jointly address ambitious research problems that could not be addressed by the individual Principal Investigators and their teams working alone. Synergy projects should enable substantial advances at the frontiers of knowledge, stemming, for example, from the cross-fertilization of scientific fields, from new productive lines of enquiry, or new methods and techniques, including unconventional approaches and investigations at the interface between established disciplines. The transformative research funded by Synergy Grants should have the potential of becoming a benchmark on a global scale.</p> <p>Principal Investigators must demonstrate the ground-breaking nature, ambition and feasibility of their scientific proposal. Principal Investigators must also demonstrate that their group can successfully bring together the scientific elements necessary to address the scope and complexity of the proposed research question.</p> <p>One of the Principal Investigators must be designated as the Corresponding Principal Investigator. At any one time, one Principal Investigator per Synergy Grant Group except the Corresponding one can be hosted or engaged by an institution outside of the EU or Associated Countries.</p>	
Višina razpoložljivih sredstev:	500.000.000 EUR	
Maksimalna višina sofinanciranja:	<p>Synergy Grants may be awarded up to a maximum of EUR 10.000.000 for a period of 6 years. The maximum award is reduced pro rata temporis for projects of a shorter duration. This does not apply to ongoing projects.</p> <p>An additional up to EUR 4.000.000 in total can be requested in the proposal to cover (a) eligible 'start-up' costs for Principal Investigators moving to the EU or an Associated Country from elsewhere as a consequence of receiving the ERC grant and/or (b) the purchase of major equipment and/or (c) access to large facilities and/or (d) other major experimental and field work costs, excluding personnel costs. As any additional funding is to cover major one-off costs it is not subject to pro rata temporis reduction for projects of shorter duration. All funding requested is assessed during evaluation.</p>	
Ciljne skupine oz. potencialni upravičenci:	ERC grants are open to researchers of any nationality who intend to conduct their research activity in any EU Member State or AC18. At any one time, one Principal Investigator per Synergy Grant Group, except the Corresponding PI, may be hosted and engaged by an institution outside of the EU or Associated Countries <sup>19</sup> or an international organisation. Up to four Host institutions could engage Principal Investigator(s).	

## 1.5. Sport Supports - emergency sport actions for youth

Izdajatelj:	EUROPEAN EDUCATION AND CULTURE EXECUTIVE - AGENCY (EACEA)	
Status: aktiven	Datum objave: 24.7.2024	Rok prijave: • <b>17. 10. 2024 17:00:00 Brussels time</b>

Kratek opisa predmeta razpisa:	<p>The objectives of this project are to:</p> <ul style="list-style-type: none"> <li>• promote community integration of children and young people affected by humanitarian crisis such as war in the hosting communities;</li> <li>• improve mental well-being and help overcoming trauma of such children and young people through sport;</li> <li>• facilitate adaptation and create bonds with the hosting communities;</li> <li>• inspire other sport clubs to set up support programmes by publishing and promoting experiences and good practices.</li> </ul> <p>Themes and priorities (scope):</p> <p>This pilot project will focus on encouraging community integration of children and youth affected by humanitarian crisis and mass migration processes in the context of war. By improving their mental well-being by attending sport sessions, these individuals will eventually become ready to adjust to their new environment. Sport activities, with their power of bringing people together, will help interaction with the host community; facilitate integration into the education system and the labour market.</p> <p>To achieve the best results those activities should be organised at the local, grassroots level, mainly through grassroots sports clubs, involving only one country, as it is easier to respond to integration needs by implementing activities at the local level.</p>	
Višina razpoložljivih sredstev:	1.920.000 EUR	
Maksimalna višina sofinanciranja:	Do max 400.000 EUR. The maximum grant amount cannot exceed 80% of the total budget of the project.

## 1.7. LIFE 2024 Technical Assistance projects for Capacity Building (LIFE-2025-TA-CAP)

Izdajatelj:	LIFE Technical assistance projects for capacity building	
Status: aktiven	Datum objave: 3.9.2024	Rok prijave: • <b>28. 01. 2025 17:00:00 Brussels time</b>
Vir objave:	<a href="https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-details/LIFE-2025-TA-CAP?isExactMatch=true&amp;status=31094502&amp;order=DESC&amp;pageNumber=1&amp;pageSize=50&amp;sortBy=startDate">https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-details/LIFE-2025-TA-CAP?isExactMatch=true&amp;status=31094502&amp;order=DESC&amp;pageNumber=1&amp;pageSize=50&amp;sortBy=startDate</a>	
Kratek opis predmeta razpisa:	<p><b>Expected Impact:</b> The expected impact is an increase of the participation and the quality of the proposals submitted under the LIFE calls by applicants from the Member State or associated country. The impact in terms of higher participation or better scoring of proposals should, as far as possible, be estimated.</p> <p><b>Objective:</b> In line with article 11(4) of the LIFE Regulation (EU) 2021/783, technical assistance projects for capacity building aim at supporting national level public bodies responsible for the implementation of the LIFE Programme in improving the participation and increasing the quality of submitted proposals from Member States and countries associated to the LIFE Programme.</p> <p><b>Activities that can be funded</b> Activities financed under this call will improve the capacity of the Member State, in supporting the participation of possible applicants in the LIFE programme calls, thus improving the number and the quality of the submitted proposals. Each proposal should preferably include analysis of the participation from that country and the success rate in the last calls. The analysis should include also the potential and current type of organisations that benefit from the call and why some organisations are more applying then others. Based on this needs assessment the applicants should identify the most effective activities addressing the participation and/or the ineffective participation rate of different types of applicants (public organisations, private entities and civil society organisations) for the different types of calls (standard action projects, coordinated and support actions, strategic integrated and strategic nature projects).</p>	
Višina razpoložljivih sredstev:	8.000.000 EUR	
Maksimalna višina sofinanciranja:	Technical Assistance Projects (TA CAP) — 95% funding rate	
Ciljne skupine oz. potencialni upravičenci:	<p>In order to be eligible, the applicants (beneficiaries and affiliated entities) must:</p> <ul style="list-style-type: none"> <li>– be legal entities (public or private bodies)</li> <li>– be established in one of the eligible countries, i.e.: <ul style="list-style-type: none"> <li>- EU Member States</li> <li>- Non-EU countries: countries associated to the LIFE programme</li> </ul> </li> </ul> <p>Only national level public bodies responsible for implementation of LIFE programme in an eligible Member State in the European Union or country associated to the LIFE Programme may apply for capacity-building projects. Project consortium may include additional entities provided that their participation is justified by the project objectives and their role is clearly defined. In principle, the project should be coordinated by public bodies responsible for implementation of LIFE.</p>
