

## SLOVENIA TOPS GLOBAL RANKINGS FOR SAFETY, SUSTAINABILITY AND ATTRACTIVENESS

Slovenia and Slovenian tourism are at the top of the lists of the safest, most sustainable, popular and desirable tourist destinations in Europe and globally.

Current rankings:

### Tourism Development Index 2022

In 2022, Slovenia ranked 39th out of 117 countries in the WEF Travel & Tourism Development Index. It climbed 16 places in the importance of tourism compared to 2019. It made the most notable improvement in the indicator assessing its brand strategy, as it moved from 43rd place to 2nd in 2021. This indicator communicates the level of precision of the National Tourism Organisation's strategy, in this case the STB's. Slovenia leads the way in the indicator on the timeliness of the provision of monthly and quarterly data (an improvement of 7 places). When it comes to safety and security, Slovenia ranks 9th. In the area of environmental sustainability, Slovenia has improved its ranking by 4 places since the last assessment period in 2019. Its highest rankings are for the nature conservation indicator (4th place) and the indicator on the proportion of key biodiversity areas covered by protected areas (11th place).

*Slovenia is ranked 39th in the World Economic Forum's overall assessment of travel and tourism development. It ranks a high 2nd place in the area of branding strategy.*

### Global Peace Index 2022

The Institute for Economics & Peace (IEP) ranks Slovenia among the safest countries in Europe and the world. According to this index, Slovenia is the 7th safest country globally and the 6th safest in Europe.
